“ *Beth and Cathy,
I'm so sorry for you loss. The minute I met Ruth, we hit it off. She was like another mother to me and had always referred to me as her other daughter. Even introducing me to people as her daughter. So incredibly sweet. I was so touched every Christmas and birthday with every card I received from her, even after I had left American House. Such a big heart. She loved her family so much and loved bragging about all of you.
I'm so sorry for your loss. Everyone that new her was blessed.
Much love to the famy.

“ *Beth and Cathie,

I am so sorry for your family's loss. Ruth will always hold a special place in my heart. I will keep dear my memories of time spent and talks with her (and how she always called me Mama because she said I was like a Mom to the residents there.)

Thank you for sharing your dear Mother with us, it was a privilege to be able to know her.
