“ Her love of the Lord, her beautiful smile & her contagious laugh are some of the things I’ll remember about her!
I once watched her & Aunt Doris roller skating wearing their fancy skating outfits and remember thinking they were amazing!
She was amazing and will be missed.
I am blessed that she was my aunt.

“ Sending our heartfelt sympathy to all the Trombley family.
Remembering the many happy times rehearsing at your house in Warren with Don, Lisa and Cheryl. Your Mom would bring us treats and then stop to listen to the music with love in her eyes. Those were good memories I will cherish every time I hear the songs and think of those wonderful musical years. All your family will be in our prayers. May God enfold you in His loving arms always. ~George and Marianne (Kramer) Weiss (Lexington, Kentucky)

“ I have the best memory of Aunt Ruth, when I was young. Uncle David and Aunt Phyllis were always going on some exotic vacation, for which little kids could not go. So they would call up Aunt Ruth, so happily took me in. She made sure that I was comfortable and had what I needed. She would cheer me up when I missed them. But one matter how sad, or what I was feeling, when it was church day, it was time to go to church. Everyone was up and Adam, getting ready for church. No questions, no fuss. At times I did not like it, but now I look back, and it is one of the best memories of have of her and the house on Castle in Warren. LOVE YOU AUNT RUTH

I have missed my Aunt Ruth so very much over the years! We were not able to connect when I visited Detroit 2 yrs ago and that really made me sad! My memories are of our many family gatherings when I was young and I always thought it was so great that Aunt Ruth and Uncle John had so many children! Aunt Ruth had such a deep faith and she was always smiling! I miss not being able to give her a big last hug! The most difficult part of living so far away is not being able to visit my family more often. Especially this past 7 months! I am the eldest of the many cousins and I was already out in the world by the time a lot of the younger children came along and then I moved to St Louis. But the times we all shared were always so special. My Mom's 3 brothers died too young, but I had the best times with my Aunts and their families! I am SO sorry for this loss! Aunt Ruth and all of you, her family will be in my daily prayers. Kisses - - Cuz Yvonne
