“ Tim Cheryl and Family, Ryan was indeed a special person and a special friend to me. My condolences on the loss of your son and your brother. I was at a loss for words when I found out. I only wish that we had spent more time after High School. I know though that when my time comes I will see my friend again and we will be sitting in that burgandy mustang on the way to the golf course for a round. Journey well my friend and may God bless you

“ Dear Tim, Cheryl & family, Ryan and I were work associates and we quickly became good friends. He was truly a genuine person, always eager to help, offering a smile, an ear, or his silly sarcastic quick wit. You are good parents to have raised such a special son. I will miss him. My thoughts and prayers are with you and all your family at this difficult time.

“ Ryan will truly be missed. He was one of the greatest friends I've ever had. If I ever needed help he was always there. I could never be down around him because he was always doing something to make me laugh. All the best stories that I tell people always start off with, "one time Ryan and I..." I consider myself truly blessed to have known Ryan. He helped to make me a better person. I loved him like a brother and will never forget him.
