“ *Ryan Donald Fabbri was my loving son for over 37 years, and I miss him terribly. He was a very kind soul and free spirit that always warmed my heart and made me so very happy he was my son. He was loved by all who he touched, by those he worked with, by his family, and especially his wife Natalie and daughter Catalina. Thank you all who have shared a memory or kind thought here on the Vermeulen-Sajewski website. I just know Ryan is reading all these wonderful comments and prayers and is as appreciative of everything being said as myself and his family are.*

God Bless,

Donald Fabbri

“ I’ll always remember saran-wrapping Shannon and Jason’s bed sheets closed with you on their wedding night in Mexico. We had to convince the Mexican resort staff to go in the kitchen and trust us with the industrial-sized roll at 4am. Every memory of you is a good one. ❤️ A true testament of your character. Grateful we have you as our intercessor in Heaven.
