“ *Dear Bob, I am so sorry to hear that Sally passed away. She was a very sweet lady. I know the pain you feel. I know you will miss her deeply as I do Doris. Our 59th anniversary would have been the 24th. We have the good memories to hang on to. May God bless you in the days ahead.*

“ *I'm so sorry for your lose even though i did not know the deceased. Death is our common enemy and affects all of us. I therefore want to share a comforting thought with the family. Time is soon coming when God put death to an end, Isaiah 25:8 and 1Corithians 15:28. Then God by means of Jesus will call and the dead will answer, John 5:25. So we look forward to seeing our dead loved ones come back to life again. Please take comfort from the sure promise of God who does not lie.*

“ We were so sorry to hear of Aunt Sally's passing. I informed to mom and my sibs of your loss and we are thinking of her today as well as all of you. One of our happiest memories of Aunt Sally was her going for walks on the island with her two simese cats following behind her like puppies. We sorrow for your loss and the loss to our family of this lovely woman. Melanie and I hope to atted the funeral, but may have work issues that make this impossible. If so know that we are there in spirit holding you and remembering our sweet Sally.
