“ *How do you write in a few words what spans a lifetime. My dad meant the world to me. I will miss him dearly. I know that he is holding his son Sam in his arms and talking to a father he never knew. I was blessed to have him as my father and he was my best friend. We talked sports every weekend and I will wait again this Sunday for the phone ring and hear him say "there done". I love you dad and I will have your memories and spirit with me the remainder of my life.*

“ You have been the best grandpa ever, thank you for all the fun times we had together. You always made me laugh and I will miss you so much. Without you and Grandma in our lives we would have been lost. Give my daddy a big hug for me and tell him that I miss him. Thank you for all the love that you gave to me, Mom, and Mark. I love you Papa.

“ I could not have asked for a better Grandfather. I am so thankful that I was able to spend so many wonderful moments with you. All the places you and Grandma took me, all the opportunities that you gave to me, I will never forget them. Without you in my life I don't know who I would have been or where I would have ended up. Thank you for always being there, not just for me, but for Mom and Paul aswell. We will miss you at the Wedding, I know you were looking foward to it, but you will still be there in our hearts, and at least now Grandma can't tell you what to wear ;-) I am so thankful for these last two years with you. You were able to meet Katie and she was able understand a little bit about where I came from. I will miss you so very much Grandpa. I love you.

“ I will miss you every day, I now know that Sammy is safe because you are with him. You have been more than a father-in-law to me, you were my "dad" and I will always cherish you in my heart right next to my Sammy Joe. Thank you for helping me raise Mark & Paul to be the wonderful sons that they have become. I love you. Go Cubs!! Go Bears!!
