“ *We were so sorry to hear of the passing of Uncle Lee, he will be missed by many!! Uncle Lee was a caring and generous man who always "told it like is" - you always knew exactly how he felt about a topic. For Uncle Lee, it was a genuine trait that I've tried to emulate but he did it so well. Like many of our other family and relatives who have passed before him, he is in a better place, enjoying his life as only he knew how to! Love, Bill Gannage and Family as well as MaryAnne Nash*

“ *Our sympathies to my maternal Aunt Gloria and her children Linda and John. My Uncle Lee was a loving father to his children. A hard-working Teamster, he provided for his family's welfare. He was a supportive great uncle to my children. My good memories of growing up in Detroit include my Uncle Lee and Aunt Gloria because they helped my parents with their family. My uncle always made time to speak to me in a gentle way. Thankfully, our families kept in touch all of these years. Sincerely, Charlene Gannage & Chris Huxley Robert and Selma*

“ *Sorry for your loss. We will miss seeing Lee outside tending to his yard and zooming up the street in his electric wheel chair. We are here for what ever you need. Love Mark, Julie and Megan*
