“ *She was such a kind person. As my Stephens Ministry counselor she helped me through a difficult time in my life. She was very easy to talk to and very easy to trust. I'm sorry for the empty space she will leave in the lives of her family and close friends but so happy to know she is with Jesus and we will get to see her again!*

I met Sandy many years ago when she worked at Curves. She was always very pleasant and easy to talk to. Sandy had the most beautiful smile. She was an inspiration to many in her courageous battle with cancer. Although I haven't seen her in many years, she touched many lives in a positive way. Sandy will be missed. My condolences to her family and all those who mourn her loss. Heaven has gained a true angel. 🙏🏻🙏🏻❤️

Sandy and I were close friends for about 7 years...she was my Stephen's Minister and became friends...she was a special person and loved her family and Jesus...she helped comfort me during a difficult time in my life...This last few years were very difficult for losing her brother and mother....and Covid was a scary time for her because she had so many physical maladies with a high risk for catching it...so we didn't see each other for nearly 3 years...but we kept in touch...I loved her and will miss her tremendously...but praise the Lord, she's with Him now and now more tears or pain ❤️🙏🙏
