“ *Please accept my heart felt condolences. I worked at Manufacturers Products. I knew Sandy very well and felt she was the kindest woman. Sandy and my Aunt, Nola Fielding were great freinds and worked together in the front office.*

“ *Your beautiful voice and laugh will forever remain with me. You will always be in my heart. Though you will be missed greatly, I will think of you often... and smile. Since I can't be there in person, I will honor you at the same time here in California. Thank you for your love and the inspiration you were to me and so many others.*
