“ *Our deepest sympathies go out for you and your family. We remember the great time spending the weekend at you cottage when our kids were little. Brought our camper and plugged into your neighbors power. I'm sure he didn't appreciate it. Sandy was a wonderful person and now will be the Angel watching over you.*

“ *So sorry I could not make the funeral to the West family....my memories of Sandy were that she just loved being around other people..such a loving person. I remember Bill got us lost one time when we were coming back from a Rod Stewart concert as we were trying to find a party. She would say "Bill West...if you don't give me a kiss right now there's going to be a problem"then everything was okay. We found our destination. Much love to Bill and the family for all the great times and memories. Laura*

“ My heart is heavy right now, I am so very sorry for your loss. I've known Bill and Sandy for many years, they are best friends of my aunt MaryBeth and uncle Mike. I remember Sandy being around my aunt and uncles house all the time, I talked to Sandy when MaryBeth died of cancer and it was at Bill and Sandy's place up north that MaryBeth spent her last days....9months later my Dad, MaryBeth's brother (Tommy Schick) died of ALS!! I know exactly how you are feeling and I'm so sorry that someone else I knew had to go thru this terrible disease! I will always say a prayer for your family.....I am deeply saddened and so very sorry for your loss

“ We was so surprised when we heard Sandy had passed. She was such a good, good friend. We will miss her dearly. When I first met Sandy we were all painting in this womens house in Northville. we were taking classes on Decorative Painting. As time went on we traveled with another friend Judy. We went to Lansing, Frankenmult, Chicago and at Sandys home up north. We would paint for the long weekends from morning till night just talking and painting.what a pleasure that was. She is going to be missed. We are sending prayers to the West Family. Love, Ann and Ron
