“ They say there is a reason
They say that time will heal
But neither time nor reason
Will change the way we feel.

*For no one knows the heartache
that lies behind our smiles,
No one knows how many times
we have broken down and cried.*

*We want to tell you something
so there won't be any doubt,
You're so wonderful to think of
but so hard to be without.
We cannot bring the old days back,
when we were all together
The family chain is broken now,
but memories live forever.*

*I wish we could be there with you guys, If you need anything please
feel free to call. We love and miss you guys.*
