“ *When I was a little girl and we lived next door to the Byrns family - my fond memory of Sandy was when she took care of me after I was hit in the head by kids throwing stones. She made me laugh. What a sweetheart!! Love you Sandy. Carol-Stacey Carlson*

“ *My cousin Sandy was always a joy to be around. She was so much fun and always kept us in stitches at family gatherings. I was several years younger than her but she never treated me like an annoying younger cousin. She treated everyone - family and friends - with love, loyalty and care. I know heaven is a livelier place now that she is there to spread her sunshine. She will be deeply missed by all who knew and loved her.*
