“ *I loved Sandra's humor and intelligence. I found her warm and easy to be around. I hope you in her family remember the good times, and I hope you can find peace and closure. I am still at work and cannot attend. But my thoughts are with you.*

“Sandy was a bright light in my Jazzercise life! She always made sure to take the time to check in with you and ask how things were. When I danced from home via a live feed, she would often come in front of the camera and smile and say hello! I loved that! She was a special lady! She will be missed. □

My husband Larry and I Diana knew Sandy who lived behind us in Canton for many years. She was so selfless, organized in every way, a second mama to all the kids in the neighborhood especially her closest as hours and Judy Bruders! She always attended her nice little garden and floral one. Her grass was always perfectly mowed and her house was well kept even when she was sick with cancer. We missed her dearly when she had moved away 😭 and will miss her forever now even. God bless our Sandy Witt. 🙏💕
