“ *Santiago was my friend. He was kind to others and generous with his time and with his possessions. I met Santiago in high school and have many memories with him throughout the years. We shared interests in many things. I don't believe the true essence of a person is ever lost, although sometimes it may seem so. For me, he will always be the person quick to lend a hand or quick to crack a joke if necessary. He was good to me and I will miss him.*
