“ *Judith McBirney and Tom Donnely , My prayers and deepest sympathy go out to you. A child is a most painful loss. Please know I reach out to you now, next week, next month...anytime. I will listen, cry with you, laugh and help you remember all the good memories. Cherish the memories, celebrate her life. When you are ready, From Grief to New Hope (Northville) is the best support group. I will be happy to go with you.*

“ Dear family, Sara was a wonderful Office Manager at Karalee, a Mental Health Clinic. She was very organized about running a business in terms of taking good care of our patients. Her positive personality and beautiful smile helped our patients to relax and feel cared for. On a personal note, I admired Sara for her upbeat personality, rain or shine, no matter what! Sara will be greatly missed by her family and friends, and those who knew her. Karen Maier, psychologist, Karalee and Associates
