“ *I knew Scott for a few years as a co-worker. I always respected him and often asked for his advice. I was very saddened to hear about his passing and I will continue to keep his family in my prayers.*

“ *I have known Scott for almost 30 years now, and even though we haven't seen each other in quite sometime. I always thought of him as one of my good friends. There is a quote from a movie that reminds me of this.*

Sometimes it makes me sad Scott being gone. I have to remind myself that some birds aren't meant to be caged. Their feathers are just too bright. And when they fly away, the part of you that knows it was a sin to lock them up does rejoice. Still, the place you live in is that much more drab and empty that they are gone. I guess I just miss my friend.

The last thing I said to Scott Two weeks ago was.

I will talk to later.
