

Scott D. Sinagra

September 21, 2005

Sinagra, Scott Donald age 27 of Canton, September 21, 2005. Beloved son of Frank and Lois. Dear brother of Geoffrey (Lisa) and Todd. Also survived by many aunts, uncles and cousins. Scott worked for Gift of Life of Michigan for 8 years, and lately was the National Purchasing Administrator for Pulte Homes in Bloomfield Hills, Michigan. He was a graduate of Michigan State University, with a Bachelor's Degree in Building and Construction Management. He lived in Canton for 14 years, and recently purchased his first home, the oldest and longest-standing house in Lakeville, Michigan. Scott loved motorcycles, golf, target shooting and hunting. He was a kind, compassionate person, lived a life filled with love and happiness, and would "give anyone the shirt off his back." There wasn't a mean bone in his body. He was a remarkable person who touched many lives, and his family, friends and co-workers will dearly miss him. Family and friends will gather Tuesday from 3:00 PM until memorial service at 4:00 PM, at First United Methodist Church, 45201 North Territorial, Plymouth. In lieu of flowers, memorial contributions may be made to Make a Wish Foundation, 3390 Pinetree Road, Ste. 20, Lansing MI 48911; or Gift of Life of Michigan, 2203 Platt Road, Ann Arbor MI 48104. “ Aunt Lois, Uncle Frank, Geoff & Todd

Being half a world away is tough at this time. I wish I could be there, but please know that I'm there in spirit & you are in my thoughts each day.

Scottie was a special person and I still envision him as my baby cousin, In my mind he's still 8 or 9 and the cutest thing. It's hard to believe he was a man of 27 & it's even harder to imagine that he's no longer with us.

But knowing the Scottie as the man I think he was, he lived life and surely has no regrets. I personally think that's important in life - to be the best you can be and take advantage of life's opportunities. He lived life to the fullest and was kind, compassionate and giving to everyone he met. We should all be able to look back and be proud of what we've done. I know you're proud of him.

Scottie will always be a part of all of us and he will be deeply missed.

My deepest sympathy

Love

“ *Lois, Frank and Family,
I am so sorry to hear about Scott. I was shocked when I saw the obituary in the newspaper. All of your friends at Folsom school send their deepest sympathies. It is terrible that we don't keep in touch when times are good. We all become wrapped up in our own lives and though we don't forget our dear friends we often lose touch. Please accept my personal condolences. My thoughts and prayers are with all of you. I would love to hear from you. With prayers and deepest sympathy*

I was so very sorry to hear of your loss. Frank, if Scott was half as kind and warm as I remember you being, he must have been a very special person indeed. My thoughts and prayers are with you all at this time.

“ *My thoughts and prayers are with you in this time of sorrow. Scott
was a dear friend of mine. He was always there to lend a helping
hand or offer a shoulder to lean on. I will always remember his
positive spirit and great sense of humor. He was just one of those
people that always knew how to make others feel good. Scott was
truly pure at heart. His death is a terrible loss and we are going to
miss him dearly, but he will continue to be with so many of us in our
memories and prayers because of all the hearts he has touched and
the impact he has made throughout his life.*

“ Dear Mr. & Mrs. Sinagra & family:
It was of great sadness to learn of the untimely death of Scott. My connection with Scott was through Gift of Life where he was under my direction. I want to let you know that Scott was my best worker, very conscientious and dependable, and always willing to help others. He even trained new employees coming in. I always knew the job was done correctly when Scott did it. You both should be proud that you had instilled that in him. Scott would sometimes call and ask for advise on work related issues. He was struggling in the beginning with his new job at Pulte and was debating whether to return back to Gift of Life. I explained that every new job is taxing, and I was glad to hear he was using his degree. I told him that Pulte would do more for him in the long run than Gift of Life could ever offer him. I was very proud & honored that he would seek my advise. My deepest sympathy goes out to you and just to let you know that others are feeling your loss and certainly our prayers are with you. Al

“ Frank and Lois,

My deepest sympathy at this most difficult time of your lives. The loss of a child is a parent's worst fear. Few us can understand the pain. We are all there for you because we are family and we care about you and love you.
