“ *1 Thessalonians 4:16-18 For the Lord himself will descend from heaven with a cry of command, with the voice of an archangel, and with the sound of the trumpet of God. And the dead in Christ will rise first. Then we who are alive, who are left, will be caught up together with them in the clouds to meet the Lord in the air, and so we will always be with the Lord. Therefore encourage one another with these words.*

So Serge, this isn't good-bye, it is so long for now...see you later...God bless you until we meet again.

“ *Our condolences to the entire Cote family. Serge is a man amongst men. In the almost 9 years I've known him, he has made several measurable strides in aviation safety while being one of the best examples of a family man, a husband, and a father. I will miss you dearly my friend. Rest easy and know that the people you leave behind are better for knowing you.*

“ I do not know where to start or what to say. Serge has been more than a friend for 38yrs I think of him as a brother. We met in high school and it just clicked between us. Even though we were complete opposites it worked. He helped me in so many ways. He was there when I needed him and he was a great man. He always helped me make better decisions and do the right things. We were inseparable as teens except when our girlfriends and future wife's came along. The four of us has so many fun times in our early years. Serge was a such a great person and his legacy will live on through his wonderful children.

To all the family, I share with you in this great loss. I will continue my prayers and I know that he is with his soul mate in a better place waiting for us all. Love and miss you my friend and my brother.

Serge a loved one lives forever, especially in the hearts of those who cared, A loved one lives forever In the memories that we shared, You my friend will be missed - but you will always be remembered. RIP my Dear Friend RIP TomM

May the healing of time and the love of God carry this family through the loss of this Great man. My deepest Sympathy and thoughts for you all. I am here for you if you need me.
