“ I'm going to miss you so much Shae. You were one of the most beautiful people I've ever known, on the inside and out. I'm so sorry this happened to you. I know we had fallen out of touch over the past couple years, but I always hoped we could rekindle our friendship again one day. You were one of the best and closest friends I'd ever had and this world is a much less amazing place with you in it. I remember the first time we hung out. It was a warm, sunny spring day when I picked you up from your house, and I knew within 5 minutes that you were someone special who I felt like I knew my whole life. I was really nervous because I really liked you from our texting, but you were so easy to talk to and made me laugh. I'm glad I got to know who you are as a person, and if it weren't for you I never would have found my intense love of ranch! You were very persuasive and I'm glad you forced me to try it on those pizza rolls. I'm going to miss you. I hope you find happiness in the next part of your journey. Goodbye, Shae. I love you.
