“ Shari and I have had many great times together and I will forever hold onto those memories we have made. I will remember most her smile always on her face and brightening up any room she walked into. This is a photo of us at one of the Tiger Games we went to together.

“ Aunt Shari was the coolest aunt I had and she treated me like her own. Always including me in their fun trips to cedar point, making hobo pies and making s'mores. Going to kings island, bingamans farm in Canada just to name a few. She always lit up a room and had a great presence and personality. Always laughing and making the best out of every situation. I will always cherish the good times we had together. Rest Easy Aunt Shari. I love you.

“ My memories of Shari were strongest when you all were growing up at 2021 Newburgh. Of her making big meals for everyone who came in to share with you. Of welcoming and being happy to see all of us and sharing with everyone. What I will remember most of all was her smile and her laugh, I can see her face right now and she is smiling look down on all of you especially sending her love. Your Uncle Robert
