“ We met Sharon at the Chelsea Wellness Center in Water Aerobics classes. She always had a smile and always seemed glad to see everyone. We got to know her a bit over the years. She was with Charles in the emergency room at the Chelsea Hospital once when I was there also. Had a moment to encourage each other.

Unfortunately we were away during two weeks in December and just today found her obituary. We send our heartfelt love and appreciation to her family for sharing her with us all these years. We too will miss her.

“ *Sharon was simply the best! I have so many fond memories of working with her. She taught me lessons about honesty and candor and tact that I carry with me to this day. One phrase she taught me to use, when being asked a question that I couldn't or shouldn't answer, was "I can't answer that question." That particular answer doesn't give away any personal information, don't precisely say that I don't know the answer, simply that I am either not at liberty to answer, or I am not able to answer. Tactfully kind. Sharon was a gift to everyone who knew her. Our prayers for her family. Dan and Nancy Whitney*

“ Sharon was a special lady! Over the years Sharon became not only a cousin, but a dear friend that will be missed. I will be celebrating her life as I know that is what she would want.

Rest in peace my dear friend!
