“ I would like to offer my most sincere sympathies for the loss of your loved one. I have also experience losing loved ones in death and the distress caused can seem unbearable. Through my study of the bible, I have learned that Almighty God is there for us to turn to for comfort. Psalms 55:22 lets us know that He hears ours cries of tribulation. A scripture found at 1Thes. 4:13 has helped me to appreciate better the state of those sleeping in death and now I have the hope outlined at John 5:28,29 and Acts 24:15 of a resurrection for both the righteous and unrighteous. These words have truly provided me with much needed comfort and I am able to trust these thoughts because Titus 1:2 confirms that God cannot lie. We can all enjoy being reunited with our loved ones again in the near future by means of God kingdom government mentioned at Daniel 2:44. May you find encouragement through these words and look them up in your own bible.
