“ I wanted to thank the o'brien family. They offered their home to our mother when our dad was near the end. Nicole lived in mom's house for almost a year , so she wouldn't have to move. Sher did almost daily trips there for the same reason. When it was time, they welcomed her. She was living there for 7-8+ yrs. Thanks for your strength and tolerance! I know mom needed to be there vs elsewhere. It made those years better for her. Thanks.

“ Sharon, can't believe you left us! We had so many good times when we lived on Sheridan. We would stand outside and laugh and talk everyday. Sure missed that when we moved. You were so much fun. especially when you came in my house to see my new carpet, and I said I smell something that smells awful, You looked at the bottom of your shoes and said "Oh no, I stepped in dog poop" We both burst out laughing, and you said what should I do, I said get out of my house. It was so funny. Thank you for all the laughter and fun we had. I love you Sharon! You will always have a place in my heart.
