“ *Sheryl was my older sister and only sibling. Though she is physically gone from this life, I have many memories of her that will be with me for the rest of my life. For any that may read this I would ask that you remember our family as we work through this most difficult time in our lives.*

“ Justin, Tracy, David and Family, Gary and I are so very sorry for your loss. May you find comfort in all your memories and know your Mom is always with you in each other and in all her Grandchildren...much love and hugs. She was a wonderful Mom to all of you and Family Friend whom we enjoyed spending many birthday celebrations, summer barbecues, holidays and many conversations with. She will definitely be missed...
