“ Mom, You were, not only, an incredible Mother, but a truly amazing person, as well. The endless energy, selfless devotion, and unflinching love you exuded were remarkable. In addition, you gave us each the most significant gift a parent can bestow - that of a childhood filled with love, security, and happiness. For this, I am eternally grateful, and have tried to provide my own children with the same. Forever, I will remember and cherish your smile, your laugh, your love, and your beautiful big brown eyes. You are loved and missed without limits, Karen

“ Mom, I always thought I had the most wonderful childhood a child could have -- summers on Lake Fenton and visiting the farm -- swim lessons, gymnastics, art classes -- you made sure we did it all. You made holidays magical. I especially treasure the last few years - shopping together, home tours, water aerobics and our "adventures." You made me feel so special. I will love you always, Marcie

“ Mom, We will all miss you deeply, but our memories are wonderful and will last forever. You gave us a childhood that any child would be lucky to have. You taught us all so much - and truly taught me how to mother. My children will also treasure the times crawling on to your lap for a good story, ice cream sundaes and walks in the woods. I treasure our early morning walks at Burt Lake where we shared so much of our hearts.

“ Mrs McKeon was my favorite teacher! I honestly remember many lessons she taught me. She was fair, firm and pushed me to excel. You are all in my thoughts and prayers.

“ Jim, I regret that you had to experience Shirley's lost of memory during the final years of her life, but I celebrate with you her entire life. She was a real lady, tremendous wife for you and the friend of many. In particular Ruth Burr valued her friendship and support as a colleague at West Middle School. Our prayers are with you.

“ You were a terrific mother. You gave us so many wonderful memories. Trips to Sanders for Hot Fudge Sundaes, Machinaw Island, summers at Burt Lake. Our summer vacations were always great - you made learning fun. You instilled in us your love of reading, nature and learning. I loved our hikes in the woods - we had a great time exploring. The traditions that you started in our family have been carried down to mine. Thanks for everything that you shared - I am a better mother because of everything that I learned from you. You will be greatly missed.
