“ Aunt Shirley,
You were so much a geniune part of this family, remember the "talks around the table." You are truly missed. One day we will all be with you along with our maker. Just save room at the table, cause you know how big the family is.

“ Mom you will be missed. I can't call you and tell you I love you any more. I wanted to call you when my grandson laughed out loud for the first time. You can rest in the Lord he gives us peace. For those that Know and love my mom she is at peace and the Lord is taking care of her. Thank you for your thoughts and prayers

“ My dearest Aunt,

Even though I didn't get to be there for your funeral I want you to know I think of you everyday.

You were a great woman that is now sitting beside our creator and smiling down on us everyday. Say hello to all the family and one day we will all be together again.
