“ *Skyler, I did not get to say goodbye or hold you as you went to heaven and that makes my heart ache. However I know God called you and you went to him and will have eternal peace. Your time with me on earth has made me a better person. You taught me so much, how to be a mother, sorry you were my guinea pig and we had to learn what worked and what didn't work together. You taught me what unconditional love is, patience and forgiveness. These are gifts, thank you.*

You challenged me often, but you always knew my love for you was deep and I knew you loved me too.

I will celebrate your life memories they will be cherished forever.

Philippians: 1:3 "I thank my God every time I remember you."

I always told you my guardian angel was also watching over you, well now you are the angel and I hope you will always be watching over me.

Eternal peace my son, I love you Mom

I just happened to think about him today, and idk why, but now I know it's his 3 year anniversary that he's been gone. I'm so sorry, and I haven't known him since 12 years ago, but may God be with you at this time.

“ *Cindy & Jim & Aunt Sally & Uncle Charlie, Everyone in our family is very shocked and sorry to hear this sad news. Someone so young and loved by so many should never be taken so soon. We send our love and as many of us as can be will be there. You have our deepest sympathy. Love Pat and Mark*
