“ *Mike, Brendon & Family, All too well I know the pain in which you suffer today. I hope it comforts you knowing that today, she is now made healthy and whole. I pray each day gets easier knowing although you are having to overcome an incredible loss, she suffers no more. Today she is walking, dancing, eating the best foods we can imagine. Life is merely the stepping stone to paradise. My friend I love you and I am here - anything I can do - I am here. Colleen & Co. "Time is not what you think. Dying? Not the end of everything. We think it is. But what happens on earth is only the beginning." - Mitch Albom*
