“ *Sophia was a dear and lovely soul who was so happy to be an American! She was always up on the latest events and we spent many hours discussing them. What a joy it was to know her and how wonderful it was that she became a precious friend ! A fine example of a life well lived!*

“ Our deepest sympathy at the death of our dear friend Sophie. We had many wonderful visits and lunches with Sophie, Rick and Ann at the Four Brothers polish restaurant. Sophie was charming, delightful, totally in touch with current events, and was a precious jewel for the whole family - adored by all. Her memorial will undoubtedly be a celebration of her long and blessed life. Were it not for the Covid limitations, we would be honored to be present. Sophie and the whole family will be in our thoughts and prayers. May her memory be eternal. With love, Anthony and Joyce Kales

“ As everybody knows, Aunt Sophie was a great dancer. I remember at Vince and Judy's wedding there was a group of young women on the dance floor doing the line dance. Their backs were to us and I said oh my gosh, look it's Aunt Sophie! She looked great. She was swinging with the best of them!

“ Dearest Sophia. I've known you for most of my life (5 years old) and you became part of our family (marriage of Ann/Rick). What a blessing you have been. We will miss your smile, giggles, kind words, and recipes from long ago. You will be missed very much, but you have also given us so many memories.
