“ *Dear Chuck,  
Molly Turner called to let me know about your dad. I just wanted to let you know that our thoughts and prayers are with you during this difficult time. We have so many wonderful memories of both of your parents. Your dad had such a great sense of humor and our parents always had such good times together.  
Molly probably told you that both of my parents are now deceased (my mom died in 1999 & my dad just this past September). We didn't know how to contact your family to let them know.  
We have a prior commitment out of town this weekend, otherwise I would have definitely come to your dad's memorial service. Please give our sympathies to Candy, as well. Janet, Chris & David all said to relay their condolences to you.*

*With Love & Prayers,*
