“ *Dearest Amy,  
On behalf of the Trottier Family, we offer you our deepest sympathy.  
We have always admired you and Stan.  
So sorry we were not able to view or attend the mass held for Stan.  
My mother no longer drives and Lorain and I work long hours. The  
rest of our family is spread out.  
You are always in our thoughts and prayers.  
Love, Lesley*

“ *Dear Amy,  
Does not seem like it has been 25 years since we have seen you  
and Stan. We saw the notice in the Free Press. Please accept our  
deepest condolences. Jim considered Stan a good friend.  
God Bless you and take care.  
Very Sincerely,  
Georgia and Jim Browne*
