“ *I am an "adopted" member of the family and it is with my greatest joy that I say I am so grateful to have gotten to know Pops.. He was a kind, funny man of God.. with a simple loving heart. I will sadly miss him til I see him again and I know he will be watching over all of us til then. We love you Pops.. ((big hug and smooches))*

“ *Papufnik...I probably got the spelling wrong, but this is what my Uncle Stan called me when I misbehaved as a child (which was quite often). I never imagined this would turn out to be my fondest memory of a very warm, funny, and caring man. We'll miss you, uncle, but you're undoubtedly in a much better place now, enjoying a cigar with your buddy. Rest in peace.*

“ *I took care of Stanley during his short stay at Marywood Nursing Center I was working the day of his 94th birthday and I said to him are you sure you are 94 or are you 49 and he just laughed and said this probably is the last one. Stanley will never be forgotten because he was always very kind to everyone and had a great sense of humor. I give the family of Stanley my deepest sympathy.*
