“ Stella and I were in Kiwanis together for many years and I loved the time I spent with her there. One of our traditions is having the club sing Happy Birthday to us on our Birthdays. I remember one year we traded Happy Birthday solos for each other. I definitely got the better of that deal!

“ She was incredibly gracious, welcoming me to the community when I came here to run our Chamber of Commerce 16 years ago. Stella made a difference during her time as Mayor through her countless community contributions to shape Plymouth.

“ I'm so thankful to have known Stella and worked with her on many Kiwanis projects! She led by example and showed the rest of us that there was no excuse for not jumping in and doing whatever you can to help out. God bless her family in their loss.
