“ We first met Stella a few years ago through a book club my husband, Steven, and I are members of along with Judy and Deb. During the times when Judy and Deb hosted, we had the additional benefit of being able to spend some time talking and visiting with Stella. Stella was a pleasure to speak with, always upbeat, cheery and really interested in getting to know Judy's friends. I am so glad we got to meet her, and hope that we can all age as gracefully as Stella.

Wishing Judy and Deb, and all of Stella's family and friends much peace and many wonderful memories and stories to share.
