“ *Kate and Zack,*

We are so sorry to hear about the passing of Steve. Lori and I just found out this morning and are so sad. We have such great memories of him and what a fantastic person he was in all aspects of his life. The best memories are those of him coaching soccer - all those kids he coached over the number of years, the number lives that he touched. Coaching baseball together for a couple of years, playing golf together on Sundays (at sun rise) for almost 15+ years - he was always the big hitter in the group and also the one who never missed a tee time. When we moved back to Plymouth 2 years ago from Arizona, it was Steve who said - your spot is still open on Sunday's and just like that I was back in with the group. And of course the countless times spent together with our families over the years - especially when the kids were young.

You are in our prayers, we will miss him greatly.

“ Steve & his brothers lived two houses down the street from me as we grew up. I have such fond memories of the neighborhood boys....playing whiffle ball in the orchard, pitching horseshoes hours on end, and talking on the porch til the wee hours of the morning in the summer time. Steve was a special person, always sharing kindness and laughter.
Many prayers and condolences at this time of loss,

“ To the Caswell Family,

I just wanted to share a memory that I have of Steve other than him always smiling and waving to me at 4:30 mass. When my son Sean needed a soccer team to play on because the team he was suppose to play on had to many players he was placed on Steve's team at Steve's request. When we pulled up into the parking lot Steve came running across the field to welcome my son! I have coached myself and I never forgot the lesson that Steve taught me that day! My family and I wish your family all the peace that you need to get through this difficult time. May God's peace and love be with all of you.
