

## Stephen Michael Sheridan

January 24, 1952 - November 30, 2025

Stephen “Steve” Michael Sheridan, age 73, of Plymouth, Michigan, passed away on November 30, 2025.

Steve was born on January 24, 1952, in Detroit, Michigan, to Thomas and Ruth (née Maltby) Sheridan. He spent many childhood summers at his family’s cottage on Bald Eagle Lake, where he enjoyed boating and water skiing. He developed an early talent for building and repairing things, skills he carried throughout his life, along with a lasting love of reading.

A graduate of Royal Oak Dondero High School (Class of 1970), Steve went on to earn a Bachelor of Arts in Business from Michigan State University in 1974. He spent over 30 years at Federal-Mogul Corporation, where he worked as a Sales Systems Manager until his retirement in 2013.

On March 26, 1977, Steve married Bonnie (née Burnham) Sheridan. Steve was, above all, a loving and dedicated husband, father, and grandfather. A true “girl dad,” he was endlessly kind, protective, and supportive.

He is survived by his wife, Bonnie, and his daughter Faye (Casey) Zaski.

Steve was preceded in death by his daughter, Michele Sheridan. He is also survived by his grandchildren, Carson and Claire Zaski, who will remember his storytelling, games, and his well-loved “Papi pancakes.”

He is also survived by his siblings: Judy Taylor, Carol Nichols, Tom Sheridan, and Peggy (Richard) Longerbeam, as well as extended family and friends.

Steve will be remembered for his quiet dependability, practical skills, and deep care for his loved ones.

In addition, instead of flowers. Donations may be made to Battens Disease Foundation. Batten Disease Support & Research Association  
Arrangements entrusted to Vermeulen-Sajewski Funeral Home, Plymouth.
