“ *I was saddened to learn of Steve's passing. We worked together years ago at WIQB at the start of Steve's career. I was always impressed by his talent, and glad to have known him for the short time I did. My condolences to his family and friends.*

“ *My sincere condolences to Rebecca and all of Steve's family, friends and co-workers. I am shocked and saddened by this tragic news. Steve was a great guy who never failed to stop what he was doing to say hello whenever I visited the radio station. Rebecca is one of my favorite former co-workers who, unfortunately, I don't see but very rarely anymore. Rebecca, I hope you can find peace and know wherever he is, he is at peace.*

“ My entire family is heartbroken. Steve was a wonderful and true friend. One of the most thoughtful people I've ever had the pleasure of knowing. I'll never forget the morning he came to my house to pick me up for a round of golf. Steve found a dozen or so Star Wars Pez dispensers and brought them as gifts for my two kids. What a great guy to think of my kids and bring them gifts. It was such a small gesture but the kids still talk about that more than 10 years later. I hope he knew how much I respected him and valued our friendship. I'll miss you Steve, thank you for sharing your life with me and my family.

To Steve's family, my heart is broken for each and every one of you. May you find comfort in the healing love of God's arms. I will continue to pray for you now and in the future.
