“ Stew was a great friend and colleague who modeled traditional American values. He served his country in a wartime overseas leadership position. He and Barb created a fine extended family where he excelled as a husband, father and grandfather. In business he found much success in many challenging positions during his career while making and keeping many friendships among his associates. Stew was a great friend whose generosity, kindness and comradeship will be missed. Rest in peace my friend.

“ Stew always brought a smile and a positive outlook. He gave 100% each day at our Rock Steady class. What a fighter he was and now his fight has ended...and he is free from PD. God's blessings to Barb and the family. Coach Suzanne

“ Stew was a kind person and always ready to help . I remember when my blind dog strayed and I found her on the street, Stew and Barb came right over to help me.
I also remember when the Sigma sisters would go to C’voix we would meet at Barb’s and Stew would help us with suitcases and happily send us on our way.
RIP Stew you are missed and loved deeply. Dianne 🙏

“ Stew was a kind and gentle person and he will be greatly missed. He loved his family immensely, especially his devoted wife, Barb, who took great care of him. He set a great example of patriotism, humility and devotion to family for his grandchildren and our family also.
