“ Sue has always been a part of our family--tho we didn't see her often. My husband, Dave Anthony and two of his cousins, Sue and Julius Otten were born just weeks apart. In recent years, several of the cousins started getting together occasionally for lunch. Rod and Sue were always a part of that gathering. Thankful that we have all those memories now. We always looked forward to spending time with both of them.

“ *Sue meant so much to me. She has been my daughters Grandmother, my Mother Inlaw and friend for over 30 years. Sue has always been the sweetest most generous loving person. I loved her sense of style. Sue was a very classy, poised and dignified lady. She was gorgeous. From Pageant days, till her last months, Sue was a beautiful woman, inside and out. I loved her sense of adventure and how she kept busy and made every moment count. Sue had the silliest personality. It was so much fun to see her when she really got laughing. And her funny one line funny things she so easily rolled off her tongue. Sue loved her life, She loved her family more than anything always. 'Il always remember Sue as my beautiful friend and Mother in law. Thank you Sue, for loving me and keeping me included and thinking me as your Daughter in law all these years. I'll miss you. I love you❤️. Lisa*

“ My mom was the most beautiful woman to me. She is/was so kind to everyone, never a harsh word and generous to a fault. She made everyone feel included. She was happiest with family around as she said often. She taught me how to love, forgive, be generous, keep moving forward when things were troublesome. She believed in me. My mom deserves a 21 gun salute. Mom had a way of making even the small things special when times were tough. I miss you more than you will ever know mom. No one loves you more than your oldest son. I hope to live up to your standards. Like dad, you were a hero to me. I love you.

“ *My heart is broken. Both of you gone is too much to handle. I will miss our lunches and shopping trips, Sunday dinners, and sharing memories. You were the best "mother-in-law" ever. You welcomed me into your home and made me feel like part of the family. I will remember you always and fondly. I love you, and as promised, I will take care of our John.*
