“ Susan and I were classmates from 1980-85 while studying for the undergraduate degree in Kerala, India. I remember her calm and quite nature, smartness in studies, and sincere friendliness. I am sure those strengths helped her throughout in her life. In fact, when I talked to her last, a couple of years ago, she was the same sweet person as I knew her. After hearing Susan's passing away, we, her old classmates, shared the fond memories we have about her. Abey, Michelle, and Matthew: I consider myself privileged to have known Susan. May God give you the strength to accept what cannot be changed and to live your life as she would want you to.
