“ *Rich and family,
I am so very sorry to hear about Sue's passing, although I know she
is an angel among us now! The word is just now spreading to her
old Wayne Parks and Recreation - Wayne Community Center
friends! We enjoyed many memorable moments with Sue and had
so much fun working together! I am glad to hear that she
experienced being a grandma, that is so cool, and I know she loved
it! I remember the day you guys found out about Kristen and the joy
she has brought to you all! Just wanted to touch base and tell you
we are all thinking of you and your family! We will meet her again
someday in heaven, no doubt! Love you, Kim Alexander (previously

“ Sue was such a wonderful light in this world. She taught me so much during my time with her at Metro Charter. She was always overjoyed to share her faith. I am saddened that she is no longer in this world, but I am so happy to know that she is home with the lord. She will never be forgotten.

“ I have so many great memories of this Jesus lover! Sue was wildly enthusiastic, always ready for some fun adventure with me! Best of all she was always open to do anything that would share Jesus' love!

I first met Sue when Kristen was in high school. She offered to drive our very first Young Life group of kids to Timber Wolfe Camp in that old white van of theirs. When I asked her join our YL Committee she was all in! Anything to help kids know Jesus! That was Sue! She was the best committee member, always enthusiastic, always willing to help with a project!

Sue also helped with our Church's Living Nativity for several years. She was a shepherdess. She had a passion for animals. She loved being in the mix with the sheep, goats (over the years there were lamas, a calf, etc.). She was great with the animals! I knew I could trust her to help keep the animals under control. All it takes is one animal going wild and Mary, Joseph and Jesus lose center stage. Sue took that role with an "all in with gusto" attitude. She would thank me every year for the opportunity to participate! She would say how being in the Living Nativity opened her eyes to a new perspective on the Christmas story. She was so grateful! Leave it to Sue, to find such joy in serving! I was so deeply thankful to have her help! I regret I never thought that this outreach to our community could impact the cast members as well. But Sue's heart was so open to the Holy Spirit, she grabbed every opportunity to find more of Jesus!

Sue and I often got up early and drove to Eastern Market on Saturdays. We loved getting to know the vendors. She became friends with a Buddhist vendor and was so burdened for him to know the Lord. She did share the Gospel with this young man. Sue was always sowing seeds of faith.

Oh I will miss my friend! I remember kneeling at her dining room table praying for kids to come to know Jesus. We would weep together sharing burdens, as only fellow Christ lovers could.

Rich and Kristen, my heart goes out to you both! I know my love for her cannot compare to a lifetime of loving her. I'm so sorry for your heartache. Some day she will greet us on the other side. What a glorious day that will be!
