“ *Dear friends, I loved your Mom like my own! She was like a second Mom to me in high school. My wonderful memories include; wall to wall pierogi making(covering every available counter space), hanging out with friends & Kevin's friends at your house while both your parents were at work, and going up north with your family. Your Mom was a wonderful person who raised a great family. She will live on in all that you do! Love you, Dryja's Erin*

“ *Your mother/grandmother was such a kind and sweet woman. I will always remember how much she loved being around her grandchildren. I'm so sorry for your loss.*

“ *Kevin, Jenn, Renae and Tony, Such a sad time for you; thankfully you have one another to lean on for the strength that you will need to get through the dark times. "Time will heal" sounds simple, but in truth eventually the sadness eases and the wonderful memories of your Mom take its place. We will miss her very much. Love, Sherry and Jeff*

“ God knew that you were suffering, The hills were hard to climb, So He gently closed your eye lids, And whispered "Peace be thine." In tears I watched you sinking, I watched you fade away, My heart was nearly broken, You fought so hard to stay. But when I saw you sleeping, So peaceful from your pain, I could not wish you back To suffer pain again. It broke my heart to lose you, But you did not go alone, For part of me went with you The day GOD called you home.
