“ *My name is Maria and I am a program manager for Homestead Home Health Care at the Allegrria Village location (used to be Henry Ford Village). My team and myself had the privilege of helping the Wallace family in taking care of Susan for quite a while. While we are not perfect we tried our best in providing a good quality care for Susan. We got fond of her and she will be greatly missed. Condolences to the family for their loss. The Homestead team.*
