“ Dear Ron and Ronald, I was too overwhelmed and not sure what my thoughts were on the day of Sue's memorial when your sister asked me to speak. But I do want to tell you that I am proud of you...you really stepped up to the plate, I know how difficult of a time it was for you trying to be everything for Susan and Ronald! I want to say that I am so grateful to have had the privilege to be with my sister in her time of need. I cry when I see this picture of Sue ...so alive and so vibrant. I miss her beautiful smile and her beautiful spirit, she was so caring of you and your son. But like the ship on the horizon that we can no longer see yet fully present ,so it is with my sister. Our precious memories of Susan will long live in all of our hearts and she will never be forgotten. Ron and Ronald remember that the blood of Christ was shed so that all of us will victory over death. God bless you and give you strength.

“ I'm so sorry Mrs. McGraw for the loss of your daughter Sue, and especially to Patty, Ron and Ron Jr. I went to school with her in Garden City and even though I lost touch, my sister Karen and Patty stayed somewhat close. I always thought she had the prettiest smile and great personality. I had lost another friend Mark to pancreatic cancer and for sure we will send donations. God Bless..I'm sure she will watch over everyone as a true angel.

“ My heart goes out to all the family members. I knew Sue for many years and have some wonderful memories of her. I know she will be dearly missed, but never forgotten. My deepest condolences. My prayers go out to you all. We will all one day see her again, looking as lovely as she does here. You are not forgotten, loved one. Nor will you ever be. As long as life and memory last, we will remember thee. We miss you now, our hearts are sore. As time goes by, we miss you more. Your loving smile, your gentle face; No one can fill your vacant place.

“ Sue and I shared many nights together on Rehab. It seems like yesterday that this lovely, willowy, friendly blonde young woman became part of the Rehab family. She was great fun to work with and could always be counted on in a difficult situation. I can only imagine how great the loss is for you, her family; I know how great the loss is to nursing. You are all in my thoughts and prayers.

“ Sue was such a great sister to me and loved so much by her family & so many other people. She was truly a devoted mom & wife to Ron & Ronald Jr and loved them dearly. We will miss her so much, her spirit will live on with our family forever. To all the nurses that Sue worked with at St. Joe's: It was so nice to meet many of you & put the faces with the names. Sue talked alot about all of you & loved you all. Love, Patty

“ Ron and Ronnie, Never doubt for a moment that you are loved. You were the center of Sue's life. She was very proud of you. I could see/hear it in her eyes, smile, and voice every time she talked about you! I will miss her optimistic attitude and effervescent smile. Don't worry, she's not really gone... Just close your eyes and think of her in your heart...she'll always be there loving you.

“ Ron and Ronnie So very sorry to hear the news. Sue loved you so very much. Everytime someone mentioned what their child had done. Sue's eyes would light up and she would have something to say about her son Ronnie. And Ron she was so proud of you and your work with automobiles. Right now I can see Sue talking with Jesus about you and your son. You have an angel in heaven looking after you now and you will know she's with you when little things she used to do come up, or a favorite song of yours comes on the radio. Remember the good things and you will have some peace. GOD BLESS YOU and YOUR FAMILY.
