“ *Imogene and W. G.
Our heartfelt sympathy goes to you both. I am so glad the obit had
Suzie's photo. I see she retained the same dazzling smile of 54
years ago when I last saw her.*

“ *Dear Imogene and W.G.,
Our thoughts and prayers are with you. It is a sad time but also a
time to reflect on the joy that Susie brought to our lives. I have such
wonderful childhood memories of overnight visits with your family. I
am so glad we had the opportunity to see Susie again at our Class
Reunion. She was so happy that night and I am so glad to have that
memory of her laughter. Distance and time had not changed our
friendship.*

“ *Imogene, our thoughts and prayers are with you and your family. I lost a sister four years ago and know what a void it leaves in one's life. We can all hold on to precious memories, however. Love from the "Class of '54".*
