Susie Kierzek, 58, beloved wife, sister and aunt, passed away at Beaumont Hospital in Farmington Hills as a result of a catastrophic car accident.

Susie grew up in Livonia, graduating from Bentley High School in 1982, attended Schoolcraft College, and later attained the credential of Pharmacy Technician. “ *When I first started at Frego & Associates Susie was the first one to welcome me with open arms. She made me feel comfortable, even told me if I ever needed anything she was just a skype away. Whenever I had a bad day she would give me advice and also prayed for me. Susie had a heart of gold, Im going to miss her so much. I find myself going to work early like I use to only to get there and realize she isnt there. She only knew me for a short period of time, but she made a huge impact on my life. Luv u my dear Susie Q. Will always carry u in my heart and thoughts.*

Thank you for your loving words for Susie. I am so glad you were friends. We still ache for her but know she is with God and that comforts us. If you attended her service the outpouring of support was incredible. GodBless You Mary

“ I miss my co-worker, my mentor, my FRIEND - - I miss my Susie Q. She was such a compassionate soul who genuinely cared for everyone she encountered. We were totally different people yet oddly, the same. We understood each other - - laughed a lot and cried some too. Susie . . . you will always remain forever in my heart.

“ I am incredibly saddened at the tragic loss of Susie. My heart felt condolences go out to Andrew and the rest of her family. Susie and Andrew and Andrew's mom have been long time customer of ours (over 20 years). Susie was always quick to recommend Brian to anyone who needed an appliance repair man. Brian enjoyed their talks whenever he was called out for repairs. Susie was a kind hearted, thoughtful woman who will be missed by many. Kim and Brian Taylor~ Homeline Appliance
