“ *Sy and I shared a few moments in 1973 when I worked there in radio. Her hair was the color of the sun. She was Saul's biggest fan! She lives on in my memory.*

“ Hey guys (Tom, Mike, Russ), I just wanted to leave a little note to let you know that even though I'm across the world, you are always in my thoughts. Our cousin Brad O'dell is over here in South Korea now too and we've shared some conversations about how much Sylvia will be missed. Our hearts and thoughts go out to all of Sylvia's friends and family. -Jennifer

“ Dear Michael and Russell You are in my thoughts and prayers as always before and always forever. We love you and are here for you. Never forget that you are who you are because of your past, and what I mean is your mother raised you to be wonderful people just like she was a wonderful woman.
