“ *Sweet Tammy, Oh the fun we had growing up! We took drivers training together, curled our hair and did our make up in class, hung out at parties, laughed hard and loud. I will always think of you and the fun times we had. I know your family will miss you dearly. God bless. Love, Leann*

I have thought of Tammy and Her Suster (I believe) Monica over many years . Fleeting thoughts of my teen age years . On different occasions I have searched to see if I could find Tammy . I am sadden to learn that she has passed away many years ago . So young .

Many fun memories in Plymouth Michigan growing up

Wish I would have found you guys 25 years ago . If Monica happens to see this , big hello . You may faintly remember me . I had a very large family and lived in Penniman in Plymouth .

Odd how people always seem to stay in your heart even after decades of life

“ *My family shares with your family the lose of a good person. She spent New Years Eve with my family and a great time was had by all. My son just love how she would fall on the ski hill and laugh so hard she couldn't get up. My husband and I respected how she would never give up. She always kept on trying... She had so many challenges in life but she was determined to get past them..something the world could learn by.*

*Our deepest condolences,
Beth, Steve and Bennet*

“ Tammy, it was so wonderful working with you. I will miss those lunches together, the small talk. I still picture you in that Orange Indian saree. I will miss your warm and inviting and mixing nature. May your soul rest in peace. I will miss you my friend.

“ Tammy you were taken at such a young age. You'll be missed by all of us. You're with your mother who you have missed more then words can express. Then my brother Bob who helped support you in you time of sorrow after your mother left us, who has also passed on. May you rest in peace.
