“ I just loved Tammy and the bright sunshine that was all around her every day. She was always so conscientious and polite. She never ever said anything unkind about anyone. The most important thing in her life was her daughter, Jessica. I am so grievous about the tragic way in which her life was taken. However, I take great comfort in knowing she will have a healed body in heaven where she can enjoy hearing angels sing all around her for eternity. I am praying for Tammy's family and especially Jessica at this time. I will miss her very much.

“ Shirley & Dick, Just a note to let you know we are thinking of you and your family. It is hard to know what to say at a time like this. You are always in our thoughts. I will always remember Tammy dancing at one of the kids wedding. Even though she couldn't hear the music she sure could keep a good beat.
