“ *My thoughts & prayers are with you all. Teresa(Cheetah) was a very good friend & sister to me. I am blessed for having known her. I watched her struggle for a long time with this illness & I find comfort knowing she isn't suffering anymore. All my love*

“ Whitehead family, Words can't express my feelings for your loss. Teresa (Pizza) was caring & loving. She would give you the shirt off her back w/o thinking about it. Being neighbors we were close. We fought like family & shared secrets like sisters. One thing I know for sure is that she loved her kids & grandkids deeply. Growing up with brothers she was tough and at the same time a daddy's girl. She also knew that her brothers had her back & found comfort in that. This has been a long battle for her & she gave it all she had for her kids. Billy & Angie, hold on to each other & the memories you share of your mom at this time & know that we are here for you. All my love, Aunt Sue

“ Im truly sorry to hear about your lost. Teresa will definitely be missed. Death is something not easy to swallow but what helps me is the cope is the Bible. At Revelation 21:4 it stats "he will wipe out every tear from there eyes and death will be no more neither will mourning nor outcry nor pain be any more." God (Jehovah) promises to get rid of death and the pain that we all feel when we loose a loved one in death.
